What Size Turkey Do I Need?

The answer to this question is going to be based on how many people will be eating the Christmas Turkey, and how much in leftovers you want.
As an approximate guide;

5-6kg - 8 to10 people
7-8kg - 12 to 14 people
9-10kg - 16 to 18 people

Allow roughly 500g of whole turkey per person or 600g for generous portions and plenty of leftovers.

For a boneless turkey breast joint, allow 200-250g of raw weight per person.

All turkey orders **MUST** be placed by Monday 7th December to guarantee availability.
Last turkey/poultry orders by 12th December.
